3. 인터넷 옵션 (O) → 개인 정보 → 팝업 차단 사용 (B) 해제

The screenshot shows the 'Internet Options' dialog box with the 'Content Advisor' tab selected. Under the 'Content Advisor' section, the 'Pop-up blocking' checkbox is checked. The 'Apply' button is highlighted in blue. The background shows the Hannam University Portal website with a banner for 'Asia Christian University' and a list of notices.

3. 팝업 차단 사용 (B) 해제 → 적용 (A) → 확인

This screenshot is identical to the previous one, showing the 'Internet Options' dialog box with 'Pop-up blocking' checked. The 'Apply' button is highlighted in blue, indicating the user has applied the changes. The background website content remains the same.
